

Blessed is the spot ●, and the house 🏠, and the place 🌍,
and the city 🏙️, and the heart ❤️, and the mountain 🏔️,
and the refuge 🌂, and the cave 🕒, and the valley 🌄, and the land 🌱
and the sea 🐠, and the island 🌴, and the meadow 🌼,
where mention of God hath been made,
and His praise 🙌 glorified.

-Bahá'u'lláh
